## **NOTICE OF RIGHTS AND RESPONSIBILITIES**

The use of any electronic fund transfer services described in this document creates certain rights and responsibilities regarding these services as described below.

### **RIGHT TO RECEIVE DOCUMENTATION OF YOUR TRANSFERS**

**TERMINAL TRANSFERS.** You will get a receipt at the time you make an EFT transaction of more than \$15.00 to or from your account at an ATM terminal or at a Participating Merchant. The receipt shall clearly set forth to the extent applicable:

1. the amount involved and date the transfer is initiated;
2. the type of transfer;
3. the identity of your account with the financial institution from which or to which funds are transferred;
4. the identity of any third party to whom or from whom funds are transferred; and
5. the location or identification of the electronic terminal involved.

**DOCUMENTATION AS EVIDENCE OF TRANSFER.** Any documentation that is provided to you which indicates that an electronic fund transfer was made shall be admissible as evidence of such transfer and shall constitute **prima facie** proof that such transfer was made to another person.

**PERIODIC STATEMENTS.** If your account is subject to receiving a monthly statement, all EFT transactions will be reported on it. If your account is subject to receiving a statement less frequently than monthly, then you will continue to receive your statement on that cycle, unless there are EFT transactions, in which case you will receive a monthly statement. In any case you will receive your statement at least quarterly.

**PREAUTHORIZED DEPOSITS.** If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company:

- you can call us at 708-222-2800 to find out whether or not the deposit has been made.

**PASSBOOK ACCOUNTS.** If the only type of electronic fund transactions are preauthorized deposits you will not receive a statement for your Passbook account. If you bring your Passbook to us, we will record any electronic deposits that were made to your account since the last time you brought in your Passbook. You will not receive a periodic statement noting these transactions on your Passbook account.

**USING YOUR CARD AND PERSONAL IDENTIFICATION NUMBER ("PIN").** In order to assist us in maintaining the security of your account and the terminals, the ATM Card or Debit Card remains our property and may be revoked or canceled at any time without giving you prior notice. You agree not to use your ATM Card or Debit Card for a transaction that would cause your account balance to go below zero, or to access an account that is no longer available or lacks sufficient funds to complete the transaction, including any available line of credit. We will not be required to complete any such transaction, but if we do, we may, at our sole discretion, charge or credit the transaction to another account; you agree to pay us the amount of the improper withdrawal or transfer upon request.

Your ATM Card may only be used with your PIN. Certain transactions involving your Debit Card require use of your PIN. Your PIN is used to identify you as an authorized user. Because the PIN is used for identification purposes, you agree to notify Forest Park National Bank & Trust Co. immediately if your ATM Card or Debit Card is lost or if the secrecy of your PIN is compromised. You also agree not to reveal your PIN to any person not authorized by you to use your ATM Card or Debit Card or to write your PIN on your ATM Card or Debit Card or on any other item kept with your ATM Card or Debit Card. We have the right to refuse a transaction on your account when your ATM Card or Debit Card or PIN has been reported lost or stolen or when we reasonably believe there is unusual activity on your account.

The security of your account depends upon your maintaining possession of your ATM Card or Debit Card and the secrecy of your PIN. You may change your PIN if you feel that the secrecy of your PIN has been compromised. You may change your PIN for your Debit Card via the Bank's Bank By Phone system at (800) 763-6770 or if you have an ATM Card by meeting with a personal banker during lobby banking hours.

#### **RIGHTS REGARDING PREAUTHORIZED TRANSFERS**

**RIGHTS AND PROCEDURES TO STOP PAYMENTS.** If you have instructed us to make regular preauthorized transfers out of your account, you may stop any of the payments. To stop a payment,

call us at: 708-222-2800

or

write to: Forest Park National Bank & Trust Company  
7348 W Madison St.  
Forest Park IL 60130

We must receive your call or written request at least three (3) business days prior to the scheduled payment. If you call, please have the following information ready: your account number, the date the transfer is to take place, to whom the transfer is being made and the amount of the scheduled transfer. If you call, we may require you to put your request in writing and deliver it to us within fourteen (14) days after you call.

**NOTICE OF VARYING AMOUNTS.** If you have arranged for automatic periodic payments to be deducted from your checking or savings account and these payments vary in amount, you will be notified by the person or company you are going to pay ten days prior to the payment date of the amount to be deducted. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.

**OUR LIABILITY FOR FAILURE TO STOP PREAUTHORIZED TRANSFER PAYMENTS.** If you order us to stop one of the payments and have provided us with the information we need at least three (3) business days prior to the scheduled transfer, and we do not stop the transfer, we will be liable for your losses or damages.

**YOUR RESPONSIBILITY TO NOTIFY US OF LOSS OR THEFT.** If you believe your ATM Card or Debit Card or PIN or internet banking access code has been lost or stolen,

call us at: 800-236-2442 (24 hours a day 7 days a week)

or

write to: Forest Park National Bank & Trust Co  
Operations Department  
7348 W Madison St.  
Forest Park IL 60130

You may also report a loss or stolen ATM Card or Debit Card during our normal business hours. Please speak with a customer service representative at 708-222-2800; Monday through Friday 9:00 AM to 5:00 PM CDT or Saturday 9:00 AM to 1:00 PM CDT, excluding federal holidays.

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

**CONSUMER LIABILITY.** Tell us at once if you believe your ATM Card or Debit Card or PIN or internet banking access code has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. If you tell us within two (2) business days after you learn of the loss or theft of your ATM Card or Debit Card or PIN you can lose no more than fifty dollars (\$50) if someone used your ATM Card or Debit Card or PIN without your permission. If you do not tell us within two (2) business days after you learn of the loss or theft of your ATM Card or Debit Card or PIN and we can prove we could have stopped someone from using your ATM Card or Debit Card or PIN without your permission if you had given us notice, you can lose as much as five hundred dollars (\$500).

Also, if your statement shows transfers you did not make, including those made by card, code, or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was transmitted to you, you may not receive back any money you lost after the sixty (60) days, and therefore, you could lose all the money in your account (plus your maximum overdraft line of credit, if applicable), if we can prove that we could have stopped someone from taking the money had you given us notice in time. If a good reason (such as a long trip or hospital stay) keeps you from giving the notice, we will extend the time periods.

**CONSUMER LIABILITY FOR UNAUTHORIZED TRANSACTIONS INVOLVING DEBIT CARD.** The limitations on your liability for unauthorized transactions described above generally apply to all electronic fund transfers. However, different limitations apply to certain transactions involving your card with the MasterCard® branded card.

If you promptly notify us about an unauthorized transaction involving your card and the unauthorized transaction took place on your MasterCard® branded card, including any PIN-based ATM or POS transactions, zero liability will be imposed on you for the unauthorized transaction. In order to qualify for the zero liability protection, you must have exercised reasonable care in safeguarding your card from the risk of loss or theft and, upon becoming aware of such loss or theft, promptly reported the loss or theft to us.

**ILLEGAL USE OF DEBIT CARD.** You agree not to use your Debit Card for any illegal transactions, including internet gambling and similar activities.

**IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR TRANSACTIONS.** In case of errors or questions about your electronic fund transfers,

call us at: (708)222-2800

or

write to: Forest Park National Bank & Trust Co.  
7348 W Madison St  
Forest Park IL 60130

or use the current information on your most recent account statement.

Notification should be made as soon as possible if you think your statement or receipt is wrong or if you need more information about a transaction listed on the statement or receipt. You must contact Forest Park National Bank & Trust Co. no later than 60 days after we sent you the first statement on which the problem or error appears. You must be prepared to provide the following information:

- Your name and account number.
- A description of the error or transaction you are unsure about along with an explanation as to why you believe it is an error or why you need more information.
- The dollar amount of the suspected error.

If you provide oral notice, you may be required to send in your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days (twenty (20) business days for new accounts) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days (ninety (90) days for new accounts and foreign initiated or Point of Sale transfers) to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days (twenty (20) business days for new accounts) for the amount which you think is in error, so that you will have the use of the money during the time it takes to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. The extended time periods for new accounts apply to all electronic fund transfers that occur within the first thirty (30) days after the first deposit to the account is made, including those for foreign initiated or Point of Sale transactions.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

**LIABILITY FOR FAILURE TO COMPLETE TRANSACTION.** If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages as provided by law. However, there are some exceptions. We will NOT be liable, for instance:

- If through no fault of ours, you do not have enough money in your account to make the transfer.

- If the transfer would result in your exceeding the credit limit on your line of credit, if you have one.
- If the electronic terminal was not working properly and you knew about the breakdown before you started the transfer.
- If circumstances beyond our control (such as fire or flood, computer or machine breakdown, or failure or interruption of communications facilities) prevent the transfer, despite reasonable precautions we have taken.
- If we have terminated our Agreement with you.
- When your ATM Card or Debit Card has been reported lost or stolen or we have reason to believe that something is wrong with a transaction.
- If we receive inaccurate or incomplete information needed to complete a transaction.
- In the case of preauthorized transfers, we will not be liable where there is a breakdown of the system which would normally handle the transfer.
- If the funds in the account are subject to legal action preventing a transfer to or from your account.
- If the electronic terminal does not have enough cash to complete the transaction.

There may be other exceptions provided by applicable law.

#### **NOTICE OF ATM SAFETY PRECAUTIONS**

**SAFETY PRECAUTIONS FOR ATM TERMINAL USAGE.** Please keep in mind the following basic safety tips whenever you use an ATM:

- Have your ATM Card or Debit Card ready to use when you reach the ATM. Have all of your forms ready before you get to the machine. Keep some extra forms (envelopes) at home for this purpose.
- If you are new to ATM usage, use machines close to or inside a financial institution until you become comfortable and can conduct your usage quickly.
- If using an ATM in an isolated area, take someone else with you if possible. Have them watch from the car as you conduct your transaction.

- Do not use ATMs at night unless the area and machine are well-lighted. If the lights are out, go to a different location.
- If someone else is using the machine you want to use, stand back or stay in your car until the machine is free. Watch out for suspicious people lurking around ATMs, especially during the times that few people are around.
- When using the machine, stand so you block anyone else's view from behind.
- If anything suspicious occurs when you are using a machine, cancel what you are doing and leave immediately. If going to your car, lock your doors.
- Do not stand at the ATM counting cash. Check that you received the right amount later in a secure place, and reconcile it to your receipt then.
- Keep your receipts and verify transactions on your account statement. Report errors immediately. Do not leave receipts at an ATM location.
- Report all crimes to the operator of the ATM and to local law enforcement officials immediately.
